**For Immediate Release**

**Halton Hills Public Library Receives \$3,000 Donation: Proceeds from CaddyStacks 2  
*Donation from the Friends of the Halton Hills Public Library will go towards the Acton Reading Deck***

**HALTON HILLS, ON** – The Halton Hills Public Library today announced it has received \$3,000 from the Friends of the Halton Hills Public Library. The funds represent the proceeds from CaddyStacks 2, an annual fundraising event sponsored and facilitated by the Friends of the Halton Hills Public Library.

In its second successful year as a unique library fundraiser, CaddyStacks 2 provided an afternoon of mini-golf among the library stacks for families, plus a social evening of mini-golf and great food for adults. Once again the event proved popular among Halton Hills residents and was extremely well-attended.

At today's presentation ceremony at the Acton Branch, Chief Librarian Geoff Cannon was proud to receive the funds on behalf of the library.

Mr. Cannon stated, "I'm thrilled by the response to CaddyStacks 2, and as always very grateful for the superb efforts of the Friends of the Halton Hills Public Library. It's a complete joy to watch people having so much fun at the event, and to know we are a little closer to realizing the Acton Reading Deck. Although we're extremely proud of our collection, we know people think of us as more than just books – we're a vital centre for our community to bond together with innovative and imaginative experiences."

Mark Rowe, Chair of the Friends of the Halton Hills Public Library, echoed those sentiments as he presented the cheque. "It is a delight to sponsor this event, which has become a visible representation of the connection and value the community feels for their library. I want to thank our event sponsor, Royal Bank of Canada and our major sponsors, The Club at North Halton, The Georgetown Group Limited, Oh Wadda Card, and the many other local businesses that supported CaddyStacks 2. Save the date for our third annual CaddyStacks that is scheduled for April 7, 2018."

The funds will be used to help build the new Acton Reading Deck.
